

# Insights, Answers and a Career Advantage are Humanly Possible

## Take advantage of all the possibilities

Manpower's free monthly Webinar Series is a convenient, cost effective way to give your company - and your career - an advantage. Each month, our Webinars connect you to leading workforce experts who deliver the latest insights on topics such as human resource and workforce trends, employment law, safety, employee screening, training and retention and much more.

### Continuing education credits – at no charge.

For nine years, Manpower's Webinar Series has focused on relaying relevant information you can use on the job at no cost to you. What's more, our Webinar Series has pre-approved status for issuing continuing education credits through the Human Resources Certification Institute (HRCI), an affiliate of the Society for Human Resources Management (SHRM). For professional human resource members, that means our Webinars count towards recertification.
